

Educational Excursion Cum Field Survey

Manas National Park and Barpeta Satra

Organized by Department of History, Sapatgram College
Date 30/12/2021

The department of history Sapatgram College organized an Educational excursion and field Survey to Barpeta Satra the famous center of Vaishnavite Religion in western Assam on December 30, 2021. The topic of the Field Survey was **Vaishnavite religion of Assam: a case study of barpeta Satra**. The Survey was done under the supervision of Dr Habib F. Basid and Ms. Dipanjali Barman. The students from all major classed (Counting 38 excluding teachers)participated in the Excursion. On the same day after the end of the field survey an educational excursion was made to Manas National Park to introduce the students with the Park and to provide knowledge about the different wild lifes of the Park. Return journey to College has been taken before the coming of the dask.
