Concept Note

With Pandemic and Ukranian War in contemporary time, there is an erosion of conventional structure of power, politics, culture and economy. There is a micro as well as macro level change in re-configuration of the glocal discourse of politics, economy and cultural dynamics. Such experience of transition and transformation is noteworthy and needs wider and deeper interaction. Although the dialogue has set in, the process is yet to be target-oriented to earn the dividends. The seminar aims at harnessing the current flow to the maximum benefit. Following are the sub-themes based on which proposals are invited. However, participants can also take the subthemes directly/indirectly related which are not available here.

Subthemes:

1. The Dynamics of Arts, Literature and Culture
