Resolution No.-2 of the GB meeting held on 13/06/2017

Resolution No.-2

Considering the growing demand for commerce education, the house discussed the matter of opening Commerce Stream in addition to the existing Arts Stream as there are no such institutions in our proximity where commerce education is imparted. After discussion it was resolved that the Commerce Stream be opened in the college from the session 2018-19 to cater to needs of local students.
