

Report of Library orientation

The Library Orientation programme for the session 2023-2024 was organized by Central Library, Sapatgram College on 11th August, 2023 in the Smart class room for B.A. 1st year students. The programme was conducted by Librarian with power point presentation. In this programme Librarian explained about different Library resources, services, library rules etc. for the students. A demonstration was also given to students on E-Resources available in Nlist and NDLI. After that hands-on practice was undertaken for students on how to use RFID attendance system, self book issue and return on kiosk machine, how to search books on OPAC etc.
